- 2.2 Entry to the Regional League will be determined by the CEWG at its absolute discretion, subject to its reasonable application of the rules and regulations laid out herein, and having due regard to the playing standard of teams which wish to participate. In the same way, such casual vacancies as may appear from time to time will be addressed by the CEWG in whatever way it sees fit.
- 2.3 The CEWG will charge an entry fee to the Regional League, plus a deposit of £100 which is retained as indemnity against a team cancelling any of their fixtures, (see clause 5.7) withdrawing from the league during the season or serious rule infringements. The deposit shall be refunded when a team leaves the NSW Regional League structure under the normal processes of promotion or relegation. In addition clubs will be liable for court and umpiring costs as set out in the entry particulars.
- 2.4 In order to qualify to participate in the Regional League, clubs shall either be accredited under England Netball's CAPS scheme, or registered at the commencement of the season in which they enter the league and are working towards their accreditation. Clubs must have achieved their CAPS accreditation within 18 months of their registration date. N.B. This rule is only applicable to those with junior sections or players under the age of 18 within their club.
- 2.5 No club may have more than three teams participating in the Regional League structure.

- 2.8** A team may register up to three (3) 2nd claim players in their squad; all others must be 1st claim. No player playing in another NSW regional league team or in any other region's Regional League may participate in the NSW Regional Leagues. Players playing in the National Premier League may not participate in the Regional League once they have played 16 quarters at the higher level, whether for a team in their own club, a team in another club or another team playing in a different region, unless in exceptional circumstance and if permission has been granted by the CEWG. 3. REGISTRATION OF SQUAD MEMBERS

- 3.1** Squad sheets for each participating team must be completed fully for each player and lodged with the CEWG by 21st September 2017 via the Regional Office south.west@englandnetball.co.uk. Teams may only use those players whose names appear on their squad registration list held by the Regional Office.
- 3.2** Any additions to the squad sheets must be lodged with the CEWG prior to playing the fixture via the Regional Office south.west@englandnetball.co.uk. N.B. It is advised that additional players are registered before 12 noon on the Thursday before a fixture in order that affiliation checks can be carried out.

request is made by the player and clubs involved, with all correspondence on player transfer having been copied to all concerned.

- 3.4** Prior to the start of each match, each team shall declare who are the Team Officials. A team may have up to 5 officials which shall include a coach and at least one primary care person. It is recognised that at RL level it is unlikely that a team will have a medically qualified primary care person, in which case the primary care person shall be the team official nominated to notify the umpires if a player is too ill/injured to be removed from the court within 30 seconds. The primary care person shall have some form of identification (e.g. arm band)

The team sheet shall also list the names of up to twelve (12) players. The team sheet shall be lodged with the Technical Officials table prior to the match commencement. The Team Officials together with up to five (5) players not on court will constitute the Team Bench and must not include spectators.

- 3.5** Clubs which have a team also participating in a connected league i.e. England Netball's National Premier League, or NSW RL1, RL2 or RL3, must abide by the principle of having separate squads. The following provisions will control the movement of players:

3.5.1 The top RL squad must identify a minimum of six (6) tied players. None of these players will be permitted to play in a lower team from that club in the regional league structure. Non-tied players will be allowed to play in a lower team from that club. Clubs also with Premier League teams who lodge their squad details with England Netball must identify their six tied players to NSW from this list.

3.5.2 Any player will be able to play in a higher squad up to a maximum of 16 quarters. Thereafter they will be tied to the higher level and identified as permanent member of that squad and will not be able to play down again.

3.5.3 If a tied player is released from the higher squad for reasons of injury the club must seek express permission of the CEWG for them to play in the lower squad.

3.5.4 No player registered with a Superleague franchise may play in the Regional League except in exceptional circumstances, and then they must have prior consent of the CEWG.

- 3.6** In the event of end of season play-offs being required to resolve promotion or relegation issues, the eligibility of players in each team shall be covered by the rules in Section 3.

4. STRUCTURE OF THE LEAGUE

- 4.1** The Regional League has three divisions, RL1, RL2 and RL3 (the latter being sub-divided into North and South parallel sub-divisions). Each division will be contested between as many teams as determined by the CEWG from time to time. The number of teams will not normally be less than eight (8), or more than twelve (12).

- 4.2** In each division each team shall play each other twice.

- 4.3** Teams will be awarded league points as follows:

- 5 points for a win.
- 3 points for a draw.
- 2 points for a losing team scoring within 5 goals of the winners score.
- 1 point for a losing team scoring more than half the winners score.

- 4.4** A results table will be compiled on the basis of the points awarded to each team. Where two (2) teams are level on points:
- Goal average shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the season shall take precedence.
 - In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.
 - In the event that goal difference does not differentiate between the teams, then the team with the greatest number of goals scored for shall take precedence.
 - Where one of the teams has its goal average, goal difference or total number of goals scored for affected by cancellations, then the goals scored by and against defaulting team(s) shall be omitted from the calculations. For example, in the event that one team received 5 points for a cancelled fixture, then the goals scored by the other team against the offending team will not be included when its goal average or goal difference is calculated.
 - In the event that neither goal average nor goal difference nor goals scored for can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the winning team.
 - In the event that none of the above differentiates between the teams, the CEWG, shall determine the means of differentiation.
- 4.5** The team which finishes top of RL1 at the end of the season will be the Champions of the competition. They may then be eligible for promotion to the England Netball Premier league structure in accordance with the rules of the England Netball Premier League competition prevailing at the time. In the event that the top finishing team is not eligible, the second placed team will be eligible.
- 4.6** At the end of each season, any team or teams which are based in the NSW region, and which is relegated from England Netball Premier League structure, will be automatically included within RL1 for the following season.
- 4.7** At the end of each season, promotion and relegation will take place between all three divisions in accordance with procedures agreed by the CEWG. Under normal circumstances, the intention is that:
- the 2 bottom placed teams in RL1 are relegated to RL2
 - the top 2 teams in RL2 to be promoted to RL1
 - promotion and relegation between RL2 and RL3 North/South sub-divisions will depend on the geographical location of the relegated RL2 teams and may need be determined by a play-off competition at the end of the season.

It is usual that the bottom placed team in both RL3N and RL3S shall be relegated to the relevant county leagues. The second from bottom team of each and one nominated team from each of the county leagues (usually the winner of the highest league) shall compete in a play-off tournament, with the winners and runners-up gaining promotion into either RL3N or RL3S. The relegation/promotion and format of the play-offs may need to be varied depending on, inter alia, how many teams are nominated by the county associations. The play-off rules and player eligibility shall be determined by the CEWG (the latter in line with the requirements of Section 3 above).

5. FIXTURE ARRANGEMENTS

- 5.1 Matches shall be played on a home and away basis (except for those fixtures that have been identified as “neutral” or “group” venues, when the CEWG shall make arrangements for fixtures) at a venue approved by the CEWG. The facility must provide adequate run-off space and location for a Technical Officials table. There shall also be provision for the score to be displayed and an audible signal (e.g. hooter) to the umpires for the end of each quarter.

In the event that court bookings prevent the match being completed, the result and a report on the amount of time played should be submitted to the CEWG. The CEWG shall decide if the result as far as played should stand, or if the late team should forfeit the match. Any team arriving more than 15 minutes after the agreed start time shall forfeit the match, and the non-offending team shall be awarded the points as winners by default. Teams who are delayed for any reason must make contact with the home team to explain their late arrival.
- 5.6 **No team may postpone or cancel a fixture.** Matches which are postponed due to extreme and unforeseen circumstances, e.g., flash flood, heavy snowfall, will be rescheduled by the CEWG to a reserve date. The CEWG may allow the rearrangement of a fixture if three (3) or more of a team’s squad are affected by a higher or one-off Netball event. This does not apply to clashing league dates for higher leagues. A request to re-arrange must be emailed to the CEWG and if agreed the CEWG shall notify both teams that the fixture is to be re-arranged.

In these cases, both teams shall agree the date and venue of the rearranged fixture within 14 days of the original scheduled fixture (although the match can be played later). In the event that both teams are unable to agree a date then the CEWG shall select a date.

- 5.7 If a team fails to play a match:
- The non-offending team shall be awarded five (5) league points for the match, and the team which cancels shall have five (5) league points deducted from their total.
 - The team which cancels may forfeit their £100 deposit and may be liable to pay any costs which the non-offending team and match officials have incurred, subject to the determination of the CEWG.

- 5.8 In the event that a match which is abandoned for any reason, e.g., because of serious injury, the result of that match will be determined by the CEWG, having regard to the score at the time at which play was suspended.

- 5.10 The home team is responsible for providing hospitality for both teams and all match officials in the form of suitable and substantial refreshments served in a timely fashion after the match.
